

42 Reasons to Use the MyHeritage Newspaper Collection

Basic Instructions for Using The MyHeritage Newspaper Advanced Search Capabilities

- You can enter a First Name and a Last Name and/or you can enter Keywords. Keywords might be useful if you wish to search for a specific event or location.
- You can limit the search to a specific Publication Title
- You can specify a Date of Publication, and optionally limit the dates to plus or minus up to 20 years
- A specific Publication Place can be entered and you can limit results to that place or not.
- You can perform an exact search which will limit the results to only those entries that you have specified, or you can not specify an exact search, which will present results closest to your search criteria.
- You can specify that translations can be performed
